```
1    The Stolen Child
2    Where dips the rocky highland
3    Of Sleuth Wood in the lake,
4    There lies a leafy island
5    Where flapping herons wake
```

Command: Stegano1 A src/wby1.txt src/out.txt 101011

Program Output – out.txt

```
1  The Stolen Child
2  Where dips the rocky highland
3  Of Sleuth Wood in the lake,
4
```

As the text editor shows, several invisible characters have been appended to the first three lines.

Command: Stegano1 src/out.txt

```
Hidden message found: 101011
Process finished with exit code 0
```

The program has analysed these characters and retrieved the secret message.
